NATURE CENTER

Dodge Nature Center provides scholarship assistance to families that request assistance and qualify for our many programs, camps and community events.

If you wish to apply for a scholarship, please send in:

- 1) **This completed scholarship application.**
- 2) **A copy of your most recent federal tax return and any other relevant income documentation or a copy from your school district stating that you qualify for free or reduced lunches.**

After you apply and if you qualify, you will be notified of the amount of your award. Families awarded scholarships will be asked to contribute some portion of their registration fees.

Please note that your registration for a space in the program is complete only after the Nature Center receives the portion of the registration fees for which your family is responsible. The Dodge Nature Center advises those who are awarded scholarships to pay their registration fees as soon as possible after receiving notification of fee responsibilities.
