

"Inspiring generations to become better
stewards of our natural world."

Group Scholarship Application Form

Dodge Nature Center is excited to offer scholarships to organizations through the support of our generous donors. These donors have a vested interest in supporting low income youth and families. In order to continue receiving their financial support, we are asked to report statistics regarding the income levels and ethnic backgrounds of scholarship recipients. Please do your best to make estimates, if needed, to arrive at the figures requested on this application form. It must be completed before scholarships are awarded. Thank you for your cooperation.
